## EXPERIENCE

**Queen Luciano Foundation, Akure, Ondo State Nigeria**

**POSITION:** General Manager

**Date:** February 2024 till date

### RESPONSIBILITIES

- Oversee and optimize the day-to-day operations of the foundation, ensuring smooth functioning of all offices.
- Provide leadership and direction to office staffs and volunteers, fostering a cohesive and productive work environment.
- Develop and execute operational plans aligned with the foundation's objectives, driving the achievement of its goals.
- Formulate comprehensive strategies for fundraising, coordinating fundraising initiatives, donor appeals, and cultivating donor relationships
- Coordinate appointments with community members, stakeholders, and potential donors to promote engagement and collaboration.
- Lead the planning, development, and execution of foundation projects, activities, and services in alignment with the foundation's mission.
- Evaluate and enhance existing programs, ensuring they remain effective and contribute to the foundation's mission impact.
- Preside over meetings, and maintaining open lines of communication with the board of trustees. In cases where a member of the board of trustee is available, he or she determines who presides.

- Safeguard critical records and documents, maintaining confidentiality and ensuring proper storage of information related to stakeholders, sponsors, benefactors, donors, and staff.
- Synthesize, process, and compose monthly reports for the Akure office with other branches, outlining achievements, challenges, and progress towards goals.
- Collaborate closely with the board of trustees to ensure foundation operations align with their vision and expectations.
- Implement strategies to enhance the foundation's overall efficiency, effectiveness, and impact.
- Foster a culture of accountability, transparency, and dedication among staff members.
- Serve as the primary liaison between the foundation and its various stakeholders, representing the foundation in a professional and ethical manner.
